Northrop and VocalEssence Present

WITNESS Young People's Concert Eyes Still on the Prize

Fri Feb 21, 12:00-1:00 pm

Busing, Arrival, and Departure Information

Thank you for joining us for the matinee performance of **WITNESS Young People's Concert: Eyes Still on the Prize on Fri Feb 21, 12:00-1:00 pm** at Northrop's [Carlson Family Stage](#) at the University of Minnesota. Please read and follow the steps below to make your experience with us safe, easy, and fun.

Scheduling

- Please plan your schedule and busing so you arrive at Northrop between 11:25 am and 11:50 am.
- The performance will begin at exactly 12:00 pm and will last for approximately 60 minutes.
- Please allow a little time in your schedule before and after the performance for our entering and exiting process, and the time needed to walk to your buses.

Arrival, Parking, and Departure

- All bus arrivals should approach Northrop from University Avenue SE. (*Note: This is a one-way street heading east.*)
- **Follow the direction from University staff/Police who will guide you to one of the four bus zones for parking.**
- Northrop Ambassadors will be wearing bright yellow vests and will help guide you from your parking zone to the event.
- Buses will stay in place in one of four zones during the performance, unloading and loading back up at the same location.
- See the map for designated bus unloading and parking areas, entering Northrop, accessibility drop-off and pick-up, and walking routes.
- Schools attending the 12:00 pm performance must have their busses out of the bus zones by 1:20 pm.

Seating

- Northrop staff will seat groups in assigned seating sections.

Buses Leaving after Drop-Off and Returning for Pickup:

We prefer buses to stay, but understand not all buses have that option.

- After dropping passengers off, buses leaving campus during the performance should plan to return to University Avenue SE at 12:50 pm or later to be directed by University staff/Police where to park for pick up.
- **Teachers/chaperones and bus drivers should exchange cell phone numbers before drop off** so bus drivers can notify them where they are parked for pick up.

Accessible Bus Unloading and Parking

- Please inform the Education Coordinator in advance at matinees@umn.edu if you will need accessibility drop-off.
- The Education Coordinator will email you a pass. Print the Accessibility Pass to present to University staff/Police if asked.
- A drop-off zone at the east entrance of Northrop is available **ONLY** for buses with passengers needing wheelchair or other accessibility accommodations.
- Enter this drop-off zone via Church Street SE from University Avenue SE.
- These buses cannot remain in this drop-off area and will be directed by University staff/Police where to park.

Running Late or Have Questions on the Day of the Performance?

- You can contact Education Coordinator, Cristina Castro at castr065@umn.edu or by cell at 210-710-7531.
